Young Scientists Retreat

Life sciences and young researchers: Bringing the future together

Hotel da Montanha
Pedrogao Pequeno, Portugal
September 22-24, 2019

Invited speakers:
Biola Javierre Martinez - IJC, Spain
Sara Magalhaes - CE3C, Portugal
Alfonso Martinez-Arias - Cambridge, UK

Open to masters students, PhDs, Postdocs, engineers and all young researchers.

Registration fees will be covered by your lab/department.

Don’t miss out on this great opportunity to share your work and discuss science in an informal and multi-disciplinary environment!
